Fiscal Year 2013 Budget Development Calendar

OVERVIEW

The proposed calendar for the Fiscal Year 2013 budget process has been established based on input from the IBA, the Mayor's Office, the Budget Committee Consultant and the Council President's Office. It is also based on actual prior fiscal year budget process timelines needed to accomplish a thorough budget development process with sufficient input and review from the public.

FISCAL/POLICY DISCUSSION

This budget development calendar incorporates key points in the development process that should be noted. Development and review of the FY 2013 City Council Budget Priorities Resolution by the Budget and Finance Committee and subsequent adoption by the City Council have been pushed back to February 29, 2012 and March 12, 2012, respectively. In the past, this action has occurred in early February. This revised timeline will allow Council more time to consider budget solutions and priorities and develop individual budget priorities memoranda for incorporation into the resolution.

The calendar incorporates four days of public hearings in May 2012 on the Mayor's Proposed Budget, with two additional days available in the timeline to continue discussions if necessary. A special City Council meeting has also been scheduled for May 24, 2012 to review both the Fiscal Year 2013 May Revision and Fiscal Year 2012 Year-End Budget Monitoring Report; which will allow any impacts from Fiscal Year 2012 to be properly incorporated into the Fiscal Year 2013 budget.

Finally, the second public hearing on final budget modifications is shown on June 11, 2012 with the Council adoption of a budget resolution on the same day. If needed, time for discussion and action on the budget will also be made available at the City Council meeting on June 12, 2012.

It should be noted that a budget resolution to approve or modify the Mayor's final budget submission must be accomplished prior to June 15, 2012, per City Charter.

CONCLUSION

The IBA believes that the proposed budget development calendar incorporates a reasonable time frame with a sufficient amount of additional flexibility, if needed, for a thorough review and completion of the Fiscal Year 2013 budget. We recommend that the Budget and Finance Committee endorse the proposed calendar which will be forwarded to City Council along with the 2012 Legislative Calendar in the near future.
